bm
BOTTLE COOLERS

UKThe BM70 allows commercial bars to serve perfectly-chilled drinks quickly and efficiently, helping staff manage customer demand, particularly at busy periods.

The BM70's innovative shelving and divider system provides high-capacity storage for up to 140 (330ml) bottles, which can be stored vertically, enabling quick restocking. The unit uses the latest refrigeration compressor technology to deliver rapid cooling and constant temperatures, enabling bottled and canned drinks to be chilled fast and served swiftly.

Robustly constructed, the BM70 has a top loading design with a glazed sliding door, giving bar staff easy access to drinks and reducing door opening

## PRODUCT OPTIONS AND ACCESSORIES

- A12/089 Bottle Basket for BM Bottle Cooler
