

Elevate Every Pour PerfectCUBE™ Ice

One PerfectCUBE. Endless Perfect Drinks.

In upscale bars, restaurants, hotels, and lounges, every detail shapes the guest experience—including the ice. The IM-0485-AQ ice machine produces true 1.25" square cubes designed to elevate beverage presentation, deliver optimal dilution, and meet the high standards guests expect.

Precisely crafted and perfectly symmetrical, these premium cubes enhance the appearance and performance of every cocktail, spirit, and specialty beverage they accompany. From signature cocktails to top-shelf pours, the IM-0485-AQ ice machine helps create memorable drinking experiences one PerfectCUBE at a time.

Key features and benefits

- **True 1.25" square cubes:** Looks perfect, chills perfectly
- **Up to 480 lb daily ice production:** Keeps up with peak demand
- **Compact 30" footprint:** Designed to fit where space is limited
- **Hinged front access panel:** Easy access for routine service
- **R290 refrigerant:** Improved efficiency with lower environmental impact
- **Built to Last:** Insulated stainless steel construction for lasting durability and minimum condensation
