ITEM NUMBER:

SILVERLINK 600

UKWhether you're cooking eggs, bacon, burgers or vegetables, the versatile Silverlink 600 Electric Griddle won't let you down. It comes with two separately controlled heat zones which give you the option of operating either zone independently to provide a smaller cooking area during quiet periods as well as offering versatility when cooking two separate meals simultaneously. The griddle also offers the flexibility of a half smooth, half ribbed plate to give attractive branding lines to your food whilst also being able to cook eggs on the smooth half of the plate. It's perfect for cafes, pubs and restaurants.

PRODUCT FEATURES

- Flexibility of a half smooth, half ribbed plate to give attractive branding lines to your food whilst being able to cook eggs on the smooth half of the plate
- Two separately controlled heat zones give you the option of operating either zone independently to provide a smaller cooking area during quiet periods as well as offering versatility when cooking two separate meals simultaneously
- Hard wearing 12 mm think machined steel plate providing even heat distribution and excellent heat retention
- Thermostatically controlled to give accurate temperatures during the cooking process for consistent results
- Removable front drainer drawer which also makes for easy cleaning. Ideal for busy establishments
- The plate is fully welded into the frame to prevent leaks and places where food and carbon can build up
