MODEL: GS6C/T

AIA FILE NUMBER:

ITEM NUMBER:

SILVERLINK 600

UKWhether you're cooking eggs, bacon, burgers or vegetables, the versatile Silverlink 600 Electric Griddle won't let you down. The griddle has a chrome surface which both heats up quicker, and transfers heat to food more efficiently than standard griddles, with less energy loss as well as reduced energy radiation, which keeps the kitchen cooler for staff and reduces pressure on the ventilation system. What's more, the griddle features two separately controlled heat zones, which give you the option of operating either zone independently to provide a smaller cooking area during quiet periods as well as offering versatility when cooking two separate meals simultaneously. It's perfect for cafes, pubs and restaurants.

PRODUCT OPTIONS AND ACCESSORIES
