LINCAT SILVERLINK ELECTRIC COUNTER-TOP GRIDDLE - HALF-RIBBED PLATE - W 750 MM - 6.0 KW

MODEL: GS7/R

AIA FILE NUMBER:

ITEM NUMBER:

UKThe Silverlink 600 Electric Griddle is a reliable choice for cooking eggs, bacon, burgers, or vegetables. Featuring a robust 12 mm thick steel plate, it ensures even heat distribution and excellent retention. With two independently controlled heat zones, you can choose to operate one zone during quiet times. The griddle's half smooth, half ribbed plate adds versatility, creating attractive branding lines on food and allowing for egg cooking on the smooth surface. Ideal for cafes, pubs, and restaurants, its thermostatic control ensures accurate temperatures, delivering consistent and delicious results every time.

SILVERLINK 600

PRODUCT FEATURES

- Flexibility of a half smooth, half ribbed plate to give attractive branding lines to your food whilst being able to cook eggs on the smooth half of the plate
- Two separately controlled heat zones give you the option of operating either zone independently to provide a smaller cooking area during quiet periods as well as offering versatility when cooking two separate meals simultaneously
- Hard wearing 12 mm think machined steel plate providing even heat distribution and excellent heat retention
- Thermostatically controlled to give accurate temperatures during the cooking process for consistent results
- Removable front drainer drawer which also makes for easy cleaning. Ideal for busy establishments
- The plate is fully welded into the frame to prevent leaks and places where food and carbon can build up
