

GLOBE REDESIGNED S-SERIES PREMIUM FROZEN SLICERS

Globe's Redesigned S-Series Premium Frozen Slicers are designed for precise, efficient slicing of frozen and partially frozen meats. Featuring a 13" double-serrated carbon steel knife, large capacity removable carriage, and indexing system for accurate slice thickness up to 1/8". These slicers deliver clean and consistent results with every cut. Easy-clean features including a removable faux-knife sharpener and meat grip, make daily operation and maintenance simple.

Two-year parts and labor warranty!
