

Middleby Marshall®

Small Footprint. Large Volume.

Our legendary PS520 countertop conveyor is back! Its compact footprint, 20" L x 18" W cavity and ability to Triple stack, gives you high production in a small package. Adjustable conveyor speed, bake time and conveyor direction, make it customizable for multiple applications. Fast moving, impingement air in the chamber cooks food faster than standard or convection ovens. The PS520 is a perfect fit for small kitchens, cafeterias, concessions or food trucks.
