Height (mm)	56

**Specifications**

---

Compatibility	Induction hob
Material	Cast aluminum with ceramic coating
Number of handles	2
Weight (kg)	2,4

**Cleaning**

---

Hot water and a little washing-up liquid will suffice for cleaning the grill plate using a soft brush or non-abrasive sponge.

The grill plate is dishwasher-safe, but cleaning agents can possibly dull the ceramic coating layer from the grill plate. We recommend cleaning the Novy grill plate by hand to extend its lifespan.
