MOBILE LANDING TABLE –SIX RUNNERS FOR PANS – CASTERS

Model LTS

The BKI® LTS landing table is the perfect companion to the BKI® full line of fryers and breading tables. This landing table is designed to easily transport product from fryers to hot display cases.

BKI landing tables are Assembled in USA and include all stainless steel construction, a set of four locking casters, and stainless steel runners for 18" x 26" pans.

By combining the LTS landing table with our BT-24 breading table, a BKI deep fryer, and a BKI hot display case, you'll have a complete solution for your frying program.

FEATURES AT A GLANCE

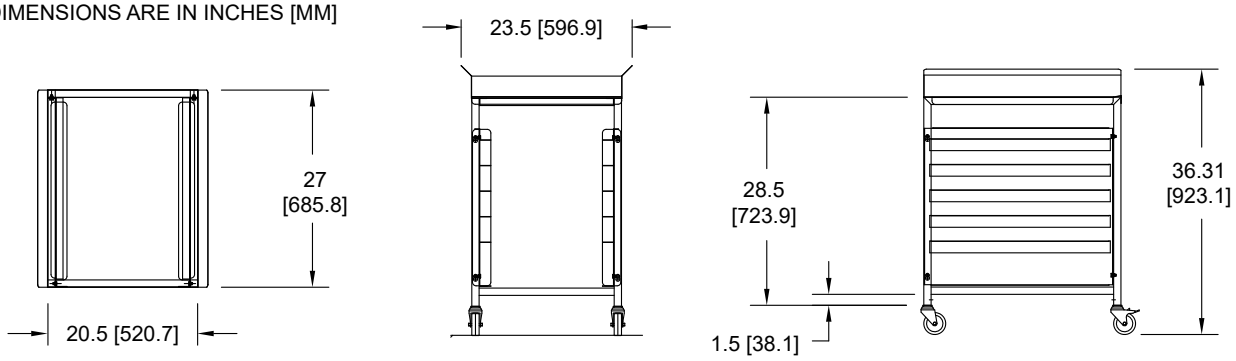

- Large (21" W x 27" L x 3" D) landing area
