

OPTIMUM
by Bartender

PRODUCT OPTIONS AND ACCESSORIES

- BT3020GCBGreen Chopping Block for Glass Freshener Unit

PRODUCT FEATURES

- Manufactured with a 304 grade stainless steel top for superior corrosion resistance and hygiene, and a robust 430 grade stainless steel body for strength and durability in demanding bar environments.
- Standardised 900mm height and 600mm depth create a seamless, ergonomic workspace that enhances operator comfort, improves efficiency and delivers a consistent, professional bar appearance.
- Built-in glass freshener system quickly rinses glasses to remove residue and improve drink presentation.
- Integrated sink provides a convenient washing and rinsing area, helping maintain hygiene throughout busy service.
- Open-front design with stainless steel valance provides a clean, professional appearance while allowing easy access to plumbing and services.
- Dedicated glass preparation station reduces unnecessary movement behind the bar, improving workflow and increasing service speed.
- Seamless Optimum Underbar System integration creates a coordinated, professional bar layout that enhances operational efficiency.
- One Year Parts and Labour Warranty
