IMC IP700 WASTE COMPACTOR - W 840 MM - 0.75 KW

MODEL: F56/700

AIA FILE NUMBER:

ITEM NUMBER:

IP COMPACTOR

UKWith a 240-litre equivalent uncrushed capacity, the Impactor IP700 allows operators to cut waste volumes by up to 80%. It saves on staff time, reduces collection costs, improves hygiene standards and minimises space needed for waste storage.

The IP700 is suitable for a wide variety of operations, from small hotels and restaurants to large schools, hospitals, shops, factories and ships. From cardboard and tins, to plastic and paper, it compacts waste in seconds using powerful electro-hydraulic technology.

The unit is compact, easy to use and mounted on heavy duty casters or deck feet (must be specified at time of order). The IP700 discharges waste

PRODUCT FEATURES

- Cuts waste volumes by up to 80% and lowers waste handling and collection costs
- Compresses all dry waste cardboard, tins, plastic and paper
- Powerful electro hydraulic technology enables waste to be compacted in seconds
- Compact, easy to move unit can be conveniently located where waste is produced
- Manufactured from stainless steel making it tough, reliable and easy to clean
- UK 3 pin plug allows users to simply plug in and switch on
