Ventus

PRODUCT OPTIONS AND ACCESSORIES

- A12/099 Wire Shelf - Chrome - for M135 Bottle Cooler

PRODUCT FEATURES

- Full front door for seamless integration
- Reduced 800mm height
- Wide range of options available to customise your bottle cooler, ensure a perfect fit in any bar.
- Elegant, flexible storage for up to 185 bottles
- Dynamic Air Distribution System coupled with efficient compressors and improved insulation ensures superior cooling times.
- Electronic temperature control keeps drinks at the perfect serving temperature
- Energy efficient EcoSmart controller - at the touch of a button, put the bottle cooler into its most economical state until next required
- Sleek stainless steel interior and LED lighting to enhance display
- Double glazed doors for enhanced insulation
- UK 3 pin plug allows users to simply plug in and switch on

The V135 provides flexible storage of up to 185 (330ml) bottles. The polished stainless steel interior and LED lighting enhance display, while the stainless steel exterior cabinet and full front door blend seamlessly into any bar setting.

Its electronic temperature controller, supported by an auto defrost function, provides precise monitoring, ensuring drinks are kept at perfect serving temperature. In addition, the energy-saving EcoSmart controller allows users to hold the bottle cooler in its most economical state, until it is required, and an energy-efficient forced air cooling system delivers rapid temperature pull down to keep pace with demand in the busiest of bars.
