ITEM NUMBER:

Mistral

UKThe Mistral M60 High Ambient bottle cooler delivers optimum performance in ambient temperatures of up to 43°C , along with long-term reliability and low operating costs.

High performance insulation maintains temperature inside the unit, whilst ultra-low “U” value glass and trace-heated doors protect from external heat. Its electronic temperature controller, supported by an auto defrost function, provides precise monitoring. An energy-efficient forced air cooling system delivers rapid temperature pull down, to meet demand in the busiest of bars.

The M60 High Ambient provides storage of up to 135 (330ml) bottles. The stainless steel exterior cabinet blends perfectly into any bar setting.

PRODUCT OPTIONS AND ACCESSORIES

- A12/091/Z1 Wire Shelf - Chrome - for M60 Bottle Cooler

PRODUCT FEATURES

- Stylish storage of up to 135 bottles in ambient conditions of up to 43Â°C
