SEAL

UKKeep hot meats, pasties, pies and other foods at the perfect temperature with the Seal 650 Range Curved Front Heated Merchandiser. Perfect for a front of house setting in large cafes or canteens, the merchandiser boasts great all-round visibility to entice customers and maximise food sales potential, and features self-service operation. There's a precise thermostatic control up to 95°C with a digital display of cabinet temperature which ensures food is maintained at a safe temperature, and a humidity feature prevents food from drying out, meaning that food stays in optimum condition for longer, thereby reducing waste.
