PRODUCT FEATURES

- Heated from above and below to maintain even temperature of food
- Overhead heat lamp imparts a warm glow on the food being held
- Provide a continuous supply of chips and other fried food, quickly and easily
- Crisp chips, the perforated drain plates ensures any excess oil is drained away
- Adjustable temperature control
- Removable 1/1 GN size chip container for convenience and ease of cleaning

Keep chips and other fried food deliciously crisp and succulent with the Silverlink 600 Electric Chip Scuttle. Ideal either for self service at front of house or for holding food ready for service at back of house, the Chip Scuttle is designed to provide a continuous supply of chips and other fried food, quickly and easily. Heated from above and below to maintain an even temperature, the scuttle has perforated drain plates remove excess oil and ensure chips are as crisp as possible. The fact that both the drain plates and the tank can be removed makes the scuttle very easy to clean. Great for schools, colleges, restaurants, hotels and cafes, the scuttle also has an adjustable temperature control.
