SEAL

UKKeep hot meats, pasties, pies and other foods at the perfect temperature with the Seal 500 Range Heated Merchandiser. Offering generous capacity from limited counter space, it's perfect for cafes and canteens where space is at a premium. The merchandiser boasts great all-round visibility to entice customers and maximise food sales potential, and is easily accessed from the back of the unit. There's a precise thermostatic control up to 95°C with a digital display of cabinet temperature which ensures food is maintained at a safe temperature, and a humidity feature prevents food from drying out, meaning that food stays in optimum condition for longer, thereby reducing waste.

PRODUCT FEATURES

- Elegant extruded aluminium frames and metallic silver finish enhance display without detracting from contents
- Minimum food holding temperature of 72Â°C
- All round visibility to maximise food sales potential
- Precise thermostatic control up to 95Â°C with digital display of cabinet temperature ensures food is maintained at a safe temperature
- Humidity feature prevents food drying out food stays in optimum condition for longer, reducing waste
- Daylight balanced illumination to enhance display of contents with easy change clip in fluorescent light tubes in fluorescent light tubes
