SILVERLINK 600

UKDeliver perfectly crisp on the outside and fluffy on the inside chips time after time with the Silverlink 600 Free Standing Gas Fryer. Twin tanks and twin baskets means you have the flexibility to cook different foods or loads simultaneously, while delivering 46kg of chips an hour. Ideal for cafes, pubs and restaurants, the fryer features piezo ignition for easy lighting and heavy duty nickel plated baskets for the most demanding of operations. You're in control via the accurate thermostat throughout the entire cooking process. Then there's the innovative deep cool zone, which collects cooking debris to prolong the life of the oil and therefore save you money.

PRODUCT FEATURES

- Double tank twin basket operation giving you the flexibility to cook different foods or loads simultaneously, delivering 46kg of chips an hour
- Thermostatically controlled to give accurate cooking temperatures throughout cooking. Flame failure device and top temperature cut out ensures safe operation.
- Cool zone collects cooking debris gives cleaner cooking results and saves money by prolonging the life of the oil
- Piezo ignition for easy lighting
- Heavy duty nickel plated baskets for the most demanding of operations
- Internal drain off tap for easy removal of cooking oil
