

Make perfect toast every time with the Lincat Four-Slot Toaster. Equally at home in front of house or back of house applications, the toaster comes with an exclusive "Scissor" lift action allowing the toast to be lifted and removed without jamming. With deep slots to allow for more artisan breads, the toaster can have some slots deactivated to reduce energy costs, while the mechanical timer helps deliver consistent results.

PRODUCT FEATURES

- Exclusive "Scissor" lift action allowing the toast to be lifted and removed without jamming
- Removable crumb tray
- Deep slot to allow for artisan breads
- Number of slots required can be controlled with a switch to help reduce energy costs
- Mechanical timer to help give consistent results
