Opus 800

UKThe first thing that strikes you about this Opus 800 gas oven range is its power. It's built to withstand the rigours of even the busiest kitchen. Whether you're cooking in a restaurant, a large pub, or a school canteen, the large 4 x GN1/1 capacity oven is up to the task of delivering high volumes of top quality food, and even enables four different foods to be cooked simultaneously. The oven's mighty dual concentric burners are built for focused heat distribution from a fast boil to a low simmer, while there's a low flue to allow use of the complete hob top. Strong and sturdy, the oven also comes with individual heavy-duty single cast iron supports.
