

SEAL

PRODUCT FEATURES

- Robust stainless steel construction hygienic and easy to clean
- Suitable for back service applications
- Minimum food holding temperature of 72°C
- Thermostatic control up to 95°C
- Chrome plated rack for attractive appearance and ease of cleaning
- Humidity feature keeps food in perfect condition for longer, minimising waste

UKTempt customers with perfect pizzas, pies and pastries on the Seal Upright Heated Merchandiser's static chrome plated rack. The rack doesn't only make for an attractive display, but is also easy to clean. Perfect for busy establishments, the unit, which is accessed from the back, comes with thermostatic control up to 95°C and a humidity feature which prevents food from drying out and so keeping it in optimum condition for longer.
