

**NU-VU® XO-1M COUNTERTOP CONVECTION OVEN, CAPACITY
(4-5) 13"X18" PANS - 240V, 1PH**

MODEL: XO-1M

The NU-VU V-AIR XO-1M Countertop Convection Oven delivers powerful performance and versatility in a compact footprint, making it an ideal choice for any busy kitchen. Featuring a two-speed fan for precise airflow control, it ensures perfectly roasted vegetables and evenly baked goods—from golden pastries to consistently flawless cookies every time. With an impressive capacity of 4–5 full-size 13" x 18" sheet pans, the XO-1M maximizes productivity without sacrificing space. Its durable stainless steel construction not only enhances its sleek, professional appearance but also guarantees long-lasting reliability, making it a smart investment for years of dependable service.
