

DANTE SERIES HEAVY-DUTY FLOOR MODEL GAS CHARBROILERS

SERIES: DANTE

DANTE-6

DANTE-8

DANTE-10

DESCRIPTION

MagiKitch'n DANTE series charbroilers are a great choice for high-volume broiling, with models ranging in size from 33" wide with six burners up to 55" wide with ten burners. The stainless steel burners, which may be substituted for cast iron, each have an output of 18,000 BTUH for energy efficiency yet high production

Standard features include stainless steel radiants and cast iron grates that can be tilted in three different positions to create cooler zones. These charbroilers are constructed with fully welded, extra heavy-duty plate steel for durability and finished with durable Bakertone paint.

This series also offers many options to suit your needs, such as log holders for enhanced flavor and work decks for added convenience.

FEATURES

- 40.25" tall
- 18,000 BTUH burners every 5.25" (133 mm)
- Individually operated control valves
- Fully welded, heavy-duty plate steel construction
- Natural gas or liquid propane
- Cast-iron grates
- Back splash
- 8" (203 mm) deep lintel plate/shelf

- Stainless steel radiants
- 2" (51 mm) deep, stainless steel, slide-out grease drawers/water pans
- 1" (25 mm) NPT rear gas connection
- Pressure regulator
- Leg & caster set
- One-year limited warranty

OPTIONS & ACCESSORIES

- Cast-iron burners
- Cast-iron radiants
- Log holder
- Stainless steel exterior side panels
- Leg set
- Stainless steel work deck with plate shelf
